JCS D DECLARES JULY 2010 AS PARKS AND RECREATION MONTH

Special Games, Activities and Giveaways Planned at Eastvale Parks

MIRA LOMA, Calif., July 15, 2010—The Jurupa Community Services District Board of Directors recently adopted a resolution declaring July 2010 as Parks and Recreation Month. The resolution urges all citizens to use and enjoy our parks and recreational opportunities. The Board of Directors' Resolution also acknowledges that parks and recreation enriches the lives of its residents and visitors as well as adding value to the community's homes and neighborhoods.

Each July, since 1985, America has celebrated Park and Recreation Month. The event is designed to recognize the vital role that parks and recreation play in the lives of Americans. JCS D Parks and Recreation offers a variety of recreation classes and athletic programs for the community. Participants can register online at www.jcsd.us/registration. JCS D Parks and Recreation currently maintains 12 parks in the Eastvale area. For a complete list of all parks and their amenities, go to www.jcsd.us/parks.
