

Sunnyslope Improvement Project Ribbon Cutting

MIRA LOMA, Calif. – November 22, 2010 – The Jurupa Community Services District Board of Directors takes part in the November 18, 2010 ribbon cutting ceremony at the Sunnyslope Reservoir Improvement Project. Left to right: Kathryn Bogart, Director; Betty Anderson, President; Robert “Bob” Craig, Director elected in November; Jane Anderson, Vice President and Eldon Horst, General Manager.

The Sunnyslope Reservoir Improvement Project is located in Northwestern Riverside County and provides 12 million gallons of additional water storage capacity. Sunnyslope Reservoir is the largest reservoir in the JCSD service area. It is a pre-stressed concrete construction with unique seismic capabilities. The project was completed in less than two years.
