As part of their In-Service Day, ERHS Staff engaged in a day of team-building and collaboration. Staff came together for team performance challenges to bring to life theories and models about team dynamics and role identification. Staff bonded while discovering their strengths and ultimately celebrating their success.

"I'm fortunate to work with such professional and passionate educators here at ERHS and today's activity really underscores their collaborative approach in accomplishing great things for kids," Jeremy Goins, Principal.

Much to the staff's surprise, ERHS' final team-building activity involved collaboratively building bikes for the Foster Youth in Eastvale. At the end of the activity, staff was surprised by cheerful children rushing the gym to choose from brand new, shiny bikes hand-built by Roosevelt staff. There were smiles and perhaps some tears witnessing the joy radiate from the children's faces as they excitedly hopped onto their bikes.

"Today reinforced the idea that ALL students matter, and when teachers come together and work together, they positively impact lives, especially our youth population," Kim Lawe, STEM Academy Director.

## Eastvale Street Sweeping Reminder

The City of Eastvale contracts through Waste Management with Dickson Street Sweeping for street sweeping services. This service ensures that all City-approved arterial, residential, industrial and alley roadways are kept clean. Maintaining clean streets keeps the City of Eastvale beautiful and complies with the South Coast Air Quality Management District (SCAQMD) and National Pollutant Discharge Elimination System (NPDES) requirements.

Street parking is prohibited during the days and times identified on the street sweeping sign posted at the main entrance(s) to each development. The “No Parking Zone” is enforceable during the block of time identified on the posted sign, regardless of the location of the street sweeper on the scheduled route. Street sweeping services will continue rain or shine and will not take place on holidays. Vehicles parked on the street during those days and between the posted hours will be cited under section 10.20.040-Parking prohibited-street sweeping.

If you wish to view the street sweeping maps for the community, please visit the Street Sweeping page on the City’s website, [www.EastvaleCA.gov/residents/street-sweeping](http://www.EastvaleCA.gov/residents/street-sweeping). For more information regarding the street sweeping schedule, general street maintenance or service, please call Eastvale City Hall at (951) 361-0900.

## CERT Team Keeps Our Community Safe

The Community Emergency Response Team (CERT) program is an all-risk, all-hazard training designed to help you protect yourself, your family, and neighborhood in an emergency situation. During a disaster, the number and scope of incidents can overwhelm conventional emergency services. While most untrained individuals will instinctively help others in need, one goal of the CERT program is to train them to do so effectively and efficiently, without placing themselves in unnecessary danger.

The program teaches citizens to: manage utilities and put out small fires; treat the three “medical killers;” provide basic medical aid; conduct safe search and rescue; organize effective spontaneous volunteer teams; collect disaster intelligence to support first responders.

This FREE training is offered to residents 18 years and older. It consists of 20 hours of initial training over three days. The next opportunity to participate will be September 16<sup>th</sup>-18<sup>th</sup> at the Jurupa Community Services District Office. For more information, or to sign-up for the next session, please visit [www.EastvaleCA.gov](http://www.EastvaleCA.gov).

## Bulky Item Collection

Eastvale residents with curbside cart service may request two (2) times in a calendar year, the free pick up of six (6) household bulky items. Additional bulky item pick ups are available at a nominal cost.

### Bulky items include:

- Sofas
- Washers
- Dryers
- Refrigerators
- Mattresses
- Water heaters
- Lawn furniture
- Televisions
- Computer monitors, etc.

Items not included in this program are large items such as car bodies, jacuzzi tubs, spas or construction and demolition waste, tires, hazardous waste or any other items that cannot be handled by two persons.

Please note, items are collected by a different Waste Management truck, not your regular service truck.

Schedule your pick up online at [wm.com](http://wm.com)  
or call Waste Management at  
(800) 423-9986 at least 2 working  
days in advance of your regular  
collection day.

# JCSD Monarch Butterfly Waystations

*JCSD is helping to create, conserve and protect milkweed/monarch habitats. By creating "Monarch Waystations" (monarch habitats), JCSD is helping to restore milkweeds, which will help assure the preservation of the species and the continuation of the spectacular monarch migration.*
