Jurupa Valley, CA 91752

**April 10 through April 24 2017 - Partial Street Closing at the Intersection of
Etiwanda Avenue and Harrel Street**

JURUPA VALLEY, CA (April 11, 2017) – Temporary lane closures will be in effect at the intersection of Etiwanda Avenue and Harrel Street through April 24. The lane closures are necessary as construction crews continue to work on the Well 23/Teagarden-Ion Exchange Plant (IXP) Capital Improvement Project. Infrastructure renewal is an important and necessary process to maintain water quality and ensure a fully operational distribution system. The Well 23/Teagarden-IXP Project includes the renovation and replacement of pipeline, storage tanks, and a generator. The temporary lane closures will be in three phases:

- Phase 1 – April 10 through April 13, 2017. Left turns will not be allowed through the intersection except for northbound Etiwanda traffic turning left (westbound) onto Harrel Street from Etiwanda Avenue.
- Phase 2 – April 14 through April 19, 2017. Left turns will not be allowed through the intersection except eastbound Harrel traffic turning left (northbound) onto Etiwanda.
- Phase 3 – April 20 through April 24, 2017. The southbound Etiwanda shoulder at Harrel Street will be blocked for the installation of a 2-inch air-vacuum assembly.

Please drive with caution and be aware of construction personnel and other vehicles during this time. A map and suggested alternative routes are provided below.

For more information regarding the Well 23/Teagarden - IXP Improvement Project construction please contact Brian Thomas, Eddie Rhee or Keith Backus at (951) 685-7434.

About JCSD

Founded in 1956, the Jurupa Community Services District is a public agency known as a Special District, governed by a five-member, elected, Board of Directors. JCSD serves over 118,700 people in a 41-square-mile region of western Riverside County in the newly-incorporated cities of Jurupa Valley and Eastvale by providing a variety of critical services such as water, sewer, street lights, frontage landscape maintenance, and graffiti abatement. JCSD is also responsible for parks maintenance and recreation programming within the JCSD parks territory. For more information, visit our website at www.jcsd.us.
