Daytime phone # _____ Alternate phone # _____

STEP ONE

Take at least four (4) clear photographs of the area to be converted to drip.

STEP TWO

Locate the nearest irrigation supply house from our "Irrigation Supply Store" list (see reverse side). Rebates will only be paid to customers who purchase from one of these approved vendors.

STEP THREE

Purchase & install a drip system. Major components of your system may include: anti-siphon valve, water filter, pressure regulator, poly pipe, and emitters. Drip kits are acceptable for a rebate.

STEP FOUR

Take at least four (4) clear photographs of your completed project.

STEP FIVE

Within sixty (60) days of purchase, mail your completed application with receipts & photographs to:

Jurupa Community Services District

11201 Harrel Street

Jurupa Valley, CA 91752

Attn: Drip Irrigation Rebate

TERMS OF AGREEMENT

- ◆ Complete application, receipts and photographs must be submitted to JCSD within sixty (60) days of purchase. Incomplete applications may be denied.
- ◆ Rebates are awarded on a first come, first served basis, subject to funding availability.
- ◆ Rebates are available only to JCSD water utility customers.
- ◆ JCSD is not responsible for faulty equipment or installation.
- ◆ There is a \$200 per household per year limit on this rebate.
- ◆ JCSD staff must be granted access to the property for post-completion inspection of project.
- ◆ Applicant has full responsibility for complying with all applicable laws, municipal codes and ordinances.
