Jurupa Community Services District Maintains Strong Financial Standing with Affirmed 'AA+' Bond Rating

Jurupa Valley, CA (May 22, 2025) – Fitch Ratings has affirmed its 'AA+' rating on the Jurupa Community Services District's (JCSD) Water and Sewer Certificates of Participation Series 2010B, with a Positive Outlook for each. These affirmations reflect JCSD's long-standing commitment to financial stewardship, operational resilience, and investment in sustainable infrastructure.

According to Fitch's rating commentary, JCSD's water and sewer systems continue to maintain exceptionally strong financial profiles. The Positive Outlook suggests potential for a future upgrade, contingent upon sustained financial performance and adherence to strategic initiatives.

JCSD provides essential water and wastewater services to more than 140,000 residents across Eastvale and Jurupa Valley. These 'AA+' ratings are based on multiple strengths identified by Fitch, including financial transparency and

sound governance that has strengthened public trust in JCSD's long-term capital improvement strategy.

"This affirmation from Fitch highlights JCSD's commitment to maintaining a low-cost operating structure while continuing to deliver essential services to our community," said JCSD Board President Betty Folsom. "Maintaining a cost-efficient operational structure allows JCSD to provide high-quality services at affordable rates, reinforcing the District's reputation for fiscal responsibility."

JCSD's water and sewer systems have each maintained extremely low leverage while funding capital improvement programs that ensure system reliability, environmental compliance, and capacity for regional growth. Both systems are supported by diversified revenue streams, including rate revenues, capacity fees, and grant funding.

In addition to strong bond ratings, JCSD continues to expand customer-focused programs like its Customer Care Program, offering resources and assistance to those facing financial hardship. JCSD also promotes conservation through education and financial incentives to help customers lower their water usage and monthly bills.

Founded in 1956, the Jurupa Community Services District is a public agency providing services and programs to Jurupa Valley and Eastvale. It is governed by a Board of Directors comprised of five elected representatives from both cities. Serving over 130,000 people in a 40-square-mile area, JCSD provides a variety of community services and programs, including water, sewer, streetlights, frontage landscape maintenance, graffiti abatement, and parks and recreation services.
