### **ATTENDANCE AND PROGRAM SIGN-IN/OUT PROCEDURES**

- If a student is absent from the Kids Zone Program and the parent/guardian has NOT communicated with the Kids Zone staff regarding the absence, staff will contact the parent/guardian and emergency contacts to verify the student's safety.
- Registered students seen occupying any area beyond the designated Kids Zone assigned locations will be considered truant, and the parent/guardian will be contacted.
- If a student is kept home or picked up early from the regular school day prior to the beginning of the program, they may not return to school to attend the program.
- For the safety of all participants, students are not permitted to leave the program site unescorted. Every student must be physically signed out by an authorized adult.
- At the time of pick-up from the Kids Zone Program, it is important to note all persons picking up a student must:
  - Be 18 years of age or older.
  - Be listed on the student's release form.
  - Have a valid Photo ID or have a Photo ID on file in the registration software.
  - Sign the student out of the Kids Zone Program.
- Changes to the Emergency Contact/Authorization form are accepted in person at the Eastvale Community Center or by email to [kidszone@jcsd.us](mailto:kidszone@jcsd.us) (the sender email address must match the registration form) by the primary guardian who enrolled the student in the Kids Zone Program.
- If there is a custody agreement between parents/guardians of the student(s), unless certified court documents are given to the site to keep on file, the Kids Zone Program will release the student to parents or adults on the Emergency Contact/Transportation Authorization form. If this situation applies to your student, please provide the required certified court documents with the Registration Packet. Please note that a change in guardianship will require a new Registration Packet to be completed by the legal guardian. If custody is shared, parents/guardians may have two separate Registration Packets.

### **SCHOOL RULES/MEDICAL NEEDS/EMERGENCIES**

- All school rules, policies, and procedures apply to the Kids Zone Program. This includes the dress code and the restriction of the following items that are not permitted on campus: skateboards, bikes, skates, roller blades, razor scooters, skate shoes, electronic devices, toys, etc.
- All medical information, including medications, must be documented on the student enrollment form. If a student requires medication, an Epi-pen or asthma inhaler, during the Kids Zone Program, a doctor-signed verification form is also required to authorize staff to distribute the medication as needed. All prescribed medication will be kept in a secure/locked facility.
  - Parents/guardians must provide the necessary emergency medication and schedule a meeting prior to the first day of attendance in the Kids Zone Program with the Site Senior and a Kids Zone Administrator establish a clear plan of action.
- If a student experiences a serious illness or injury during program hours, Kids Zone staff may seek emergency medical assistance by calling 911 or arranging treatment at a medical facility. Every effort will be made to promptly contact the student's parent/guardian in the

event of an emergency. Please note that the Kids Zone Program does not provide medical treatment or insurance coverage for participants.

### **SPECIAL NEEDS**

- The Kids Zone Program fosters an inclusive environment and will make reasonable efforts to support students in alignment with applicable laws and available resources.
  - Please note accommodations outlined in a student’s Individualized Education Plan (IEP) are specific to the instructional day and do not extend to before- and after-school programming. While we will work collaboratively with families to assess whether reasonable accommodations can be made within the scope of our program, there may be circumstances where a student’s needs exceed the level of support, we are able to provide due to staffing ratios or program structure.
  - In such cases, continued participation in the program may not be appropriate. If this occurs, families will be encouraged to explore alternative programs that may be better suited to support their students’ individual needs.

### **SUPERVISION OF PROGRAM**

- The Kids Zone Program maintains a supervision ratio of no more than 20 students per 1 staff member for grades 1–6, and no more than 10 students per 1 staff member for Kindergarten. Due to these ratio requirements, students are expected to participate cooperatively in group activities. If a student consistently requires one-on-one support or engages in behaviors that prevent staff from appropriately supervising the group, the program may not be an appropriate fit. In such cases, the student may be removed from the program, and families will be encouraged to explore alternative options that better meet the student’s needs.
- All program activities take place in supervised areas. If a student leaves a supervised area without permission, it may result in dismissal from the program.

### **BEHAVIOR EXPECTATIONS & SUPPORT GUIDELINES**

- A goal of the Kids Zone Program is to help develop each child’s ability to independently control their own behavior in an age-appropriate manner. Program expectations are clearly communicated to students and consistently reinforced by staff. The program follows formal Positive Behavioral Interventions and Supports (PBIS) protocols. PBIS is a framework used to promote positive behavior and foster a supportive environment for all students. All district, school, and program expectations must be followed. Staff are trained in proactive, strength-based behavior guidance strategies that emphasize positive reinforcement, engagement, and relationship-building that correlate with each individual Kids Zone program plan.
- It is important that both students and parent(s)/guardian(s) understand and support the program’s behavior expectations to maintain continued enrollment. Participation in Kids Zone is a privilege, and the program should remain a supportive and structured environment for all participants.

### **BEHAVIOR REVIEW PROCESS**

Each behavior incident will be assessed individually, with attention to context, impact, and student needs. Staff will use redirection, de-escalation, and problem-solving strategies as first steps. Student redirection may result in the following actions:

- **Recreation Leader Alert (Pink Slip)** - A Recreation Leader Alert (Pink Slip) will be issued by the Recreation Leader and reviewed with the parent(s)/guardian(s) to discuss the behavior and appropriate next steps.
- **Behavior Warning (Yellow Slip)** – After a more thorough investigation, if a Pink Slip warrants a Behavior Warning (Yellow Slip), the following actions may be taken:
  - The Site Senior will contact the parent/guardian to develop a Tier 2 Behavior Support Plan and Contract and/or establish daily communication between the parent/guardian and site staff, if needed. Daily communication may be facilitated using the Check-in/Check-out form.
  - The student may receive a temporary suspension from the program, determined by the Site Senior and Recreation Specialist. A written report will be shared with the family.
- **Referral (White Slip)** - Multiple Behavior Warnings or a referable behavior. Continued behavioral concerns will be reviewed by the Site Senior and Supervisor.
  - Ongoing behavioral concerns will be reviewed by the Site Senior and Recreation Supervisor. The Site Senior will contact the parent/guardian to develop a Tier 3 Behavior Support Plan and Contract. Daily communication with the parent/guardian will be facilitated through the Check and Connect form.
  - If the terms of the Behavioral Support Plan or Contract are not followed, the student may be removed from the program.

Behaviors warranting suspension or expulsion include, but are not limited to hitting, kicking, stealing, sexual harassment, bullying, vandalism, verbal or physical abuse toward school or Kids Zone personnel or students, engaging in disruptive behavior, and/or leaving the site without permission. Any physical contact with malicious intent will result in a minimum one-day suspension. Consequences may vary depending on the severity of the behavior. Serious offenses may result in immediate suspension or expulsion from the program, as determined by the Supervisor and Site Senior.

Parent(s)/Guardian(s) will be held responsible for any cost/damages inflicted upon the site, park, and/or private property or equipment. Credits will not be given for student behavior suspensions. Any parent/guardian concerns regarding this policy should be addressed to the Supervisor.

### **PROGRAM COMPONENTS**

- The Kids Zone Program offers extended learning opportunities for students. This program focuses on developing the academic, social, emotional, and physical needs and interests of students through hands-on, engaging experiences.
- This program provides homework assistance during a regular academic component. It is the student's responsibility to bring their homework to the program, and the parent/guardian has the responsibility to support the Kids Zone Program in ensuring the student has the

appropriate information to complete homework daily. Parents/Guardians are expected to support homework completion by reviewing homework daily.

- The Kids Zone Program will take part in various special events, field trips, and guest presentations. Families will be notified in advance of upcoming events or activities.
- The Program focuses on educational enrichment programs such as:
  - **Health & Wellness:** Encourages overall well-being through healthy eating habits, physical activity, and positive lifestyle choices.
  - **STEAM:** Engages students in Science, Technology, Engineering, Art, and Math through hands-on, exploratory learning.
  - **Language Arts:** Strengthening literacy skills through reading, spelling, and language-based activities.
  - **Youth Development:** Fosters leadership, collaboration, and personal growth through peer tutoring, student-led clubs, and enrichment activities.

### **SNACKS**

- The Kids Zone Program does not provide snacks for participating students. Participants are highly encouraged to pack supplemental snacks from home.
- Students attending Off-Track programming will not be escorted to the school cafeteria for school-provided meals. These students are highly encouraged to bring multiple meals to sustain them throughout the full day.
- Kids Zone students are provided with a dedicated time during program to eat their snacks or meals. For student convenience, each site is equipped with a designated refrigerator and microwave for student usage.
- For the safety and consideration of all participants:
  - Any food restrictions or allergies must be clearly noted on the Student Information Form and communicated to Kids Zone staff before the student's first day of attendance.

### **PERSONAL BELONGINGS**

- Students should keep all personal belongings at home or in backpacks. This includes all toys and electronic devices, such as cell phones, gaming devices, and air pods. Students are highly encouraged to clearly label all personal items, including water bottles and backpacks, with their first and last names to assist with identification and prevent loss.
- Kids Zone staff reserve the right to temporarily confiscate these items and release them to those authorized to pick up students at the end of the day. JCSD will not be held liable for loss, theft, or damage to personal belongings.

### **COMMUNICATION**

- The Kids Zone Program uses a variety of communication methods, including email, phone, program-specific forms and flyers, VSI, the JCSD's social media platforms, and/or communication channels for mass updates. Parents/guardians are encouraged to check their email regularly for important information. For urgent matters, the program may contact parents/guardians by phone. Daily updates may also be shared during student pick-up.

### **PARENTAL/GUARDIAN SUPPORT**

- Though our staff is committed, trained, and qualified to support the program needs, parental support is needed to make the Kids Zone Program successful for students. Families are important partners in the program's success and are encouraged to attend family presentations and events/activities when invited.
- Suitable behavior towards the Kids Zone Program and its administrators is always required from any and all adults on the school campus, as well as JCSD facilities, and during all verbal and written communication. Should an issue arise, and inappropriate or disrespectful behavior occurs, your student may be removed from the Kids Zone Program.
- Our goal is to make the Kids Zone Program a lifelong recreational/educational enriching experience your students can cherish for years to come.
