

KIDS ZONE MONTHLY

Staff Highlight

Mr. Kenneth really shined this month by consistently going above and beyond to make sure our Eastvale students had fun every day. Whether he's dominating the handball courts or creating tall magnetic towers with the kiddos, he always finds a way to make things exciting and engaging for everyone.

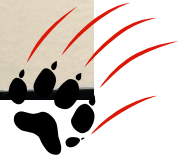

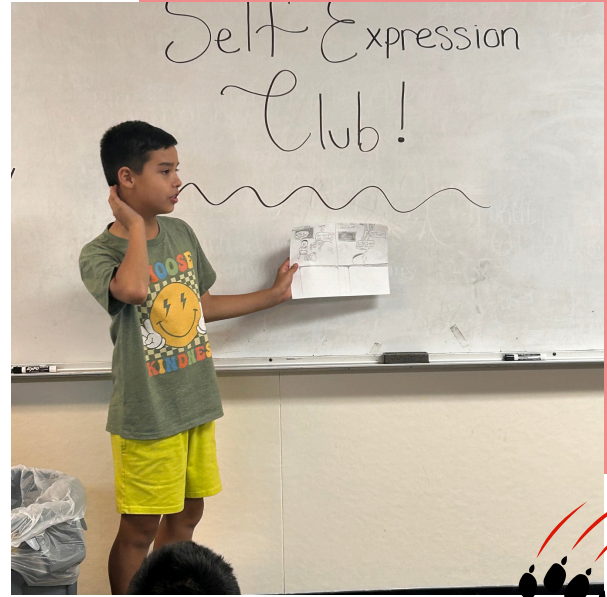

Student of the Month

Katelyn is an outstanding helper and a wonderful role model for her peers. She consistently demonstrates kindness and compassion, always making an effort to include and engage with everyone around her. While there is not one specific act that defines her, it is the everyday way she carries herself, with genuine care and positivity, that truly stands out. Katelyn also enjoys supporting staff whenever she can and exemplifies the values we strive to uphold at Kids Zone. We are grateful to have her as part of our community.
