

KIDS ZONE PROGRAM UPDATE

June 24, 2026

Dear Parents and Guardians,

We are writing to share an important update regarding our Kids Zone Program for the upcoming 2026–2027 school year.

The JCSD Parks & Recreation Department is pleased to announce a new partnership with the Corona-Norco Unified School District (CNUSD). Beginning July 6, 2026, the JCSD Kids Zone After School Program will merge with CNUSD's state-funded format utilizing the Expanded Learning Opportunities Program (ELOP) and After School Education and Safety (ASES) grants. This collaboration will allow attendees to experience Kids Zone free of charge.

Please review the following updates carefully, as they contain essential information regarding enrollment priority, schedule adjustments, and off-track program.

Eligible School Sites and Priority Enrollment

This partnership will apply strictly to afterschool program (immediately after school until 6pm) for Kids Zone programs operating at the following campuses:

- Clara Barton Elementary School
- Philistine Rondo School of Discovery
- Ronald Reagan Elementary School
- Rosa Parks Elementary School

Our commitment to our existing families remains our highest priority. To ensure continuous, undisrupted programming, students who were registered for Kids Zone at these sites during the current period of July 1, 2025, to June 30, 2026, will receive priority registration for this first year of the partnership. This priority status will allow our returning families to seamlessly transition from the previous paid model to the new free program.

Registration Process

Because the afterschool program is state-funded, registration will now be managed directly through CNUSD. Additional details are as follows:

- Parents must register for the afterschool program directly through CNUSD https://www.cnusd.k12.ca.us/student_programs/after_school_programs.
- JCSD will no longer accept after-school registration online or at the Eastvale Community Center (ECC) for these four sites.

Before School Programming

While the partnership with CNUSD only pertains to the afterschool program, JCSD will continue to independently offer before-school services at all five current Kids Zone locations through at least December 2026, ensuring families continue to have access to convenient services. Program participation and community demand will be evaluated throughout the

school year, and before-school services may continue beyond December 2026 if attendance levels support ongoing operations.

- Program Hours: Program will operate from 6:30 a.m. until the school bell rings.
- Registration: Registration must be completed online through the JCSD website or in person at the Eastvale Community Center.
- Fees: Before school program fees will remain at \$15 daily, \$60 weekly, and \$230 monthly.

Eastvale Elementary Kids Zone Program

The Kids Zone After School Program at Eastvale Elementary will continue to operate as a fee-based JCSD program. Your registration process remains unchanged and will be handled entirely through JCSD.

- Program Hours: Program will begin directly after school until 6:00 p.m.
- Registration: Registration for the 2026–2027 school year will officially open on Monday, June 15, 2026. Registration must be completed online through the JCSD portal or in person at the ECC.
- Fees: Program fees will remain unchanged at \$30 daily, \$125 weekly, and \$475 monthly.

Off-Track Day Camp Program

The CNUSD partnership does not include off-track program. As a result, JCSD's Off-Track Day Camp Program will be relocated to the Harada Neighborhood Center, located within Harada Heritage Park (13099 65th Street, Eastvale). The program will feature an exciting camp-style format with games, enrichment activities, and special events scheduled each Thursday.

- Program Days & Hours: Program will operate Monday-Friday, from 7:00 a.m. to 6:00 p.m.
- Registration: Registration must be completed online through the JCSD website or in person at the Eastvale Community Center.
- Fees: Program fees will be \$45 daily, or \$220 for the week. Due to the special activities/field trips planned on Thursdays, Thursday-only daily registration will not be available.

We appreciate your cooperation and adaptability as we implement these program enhancements. Detailed registration timelines, fee structures, and enrollment links are available on our website <https://www.jcsd.us/parksandrecreation/>.

If you have any immediate questions regarding these updates, please do not hesitate to contact our administrative office. We are happy to support during these exciting new transitions!

Sincerely,

JCSD Parks & Recreation Department
