PARKS & RECREATION DIRECTOR'S MESSAGE

Hello Eastvale Friends and Families,

As we head into the summer months, the JCSD Parks & Recreation team is excited to once again bring the community together through a full lineup of seasonal events and programs.

Our Concerts in the Park series returns, offering residents the opportunity to enjoy live music, local vendors, and a vibrant community atmosphere at our parks. These events continue to be a highlight of the summer, creating a space where families, friends, and neighbors can gather and connect.

We're also bringing back our Movies in the Park series, providing a fun and relaxed outdoor experience for all ages. Whether it's spreading out a blanket with family or enjoying a movie night with friends, these events are a great way to make the most of summer evenings in Eastvale.

In addition to these signature events, our team remains focused on maintaining high-quality parks and facilities, expanding recreational opportunities, and delivering programs that meet the needs of our growing community.

We're honored to be part of your summer plans and look forward to welcoming you to our parks, facilities, classes, and events. Thank you for your continued support, and here's to a safe, fun, and unforgettable summer in Eastvale!

Best regards,

Steve Lawson
JCSD Parks & Recreation Director

Men's Health Starts with Prevention

Did you know that men are at higher risk for certain conditions like heart disease or cancer? That's why preventive men's health care is so important.

Not sure where to start? Here are some ideas:

- Connect with a primary care physician
- Get properly screened for underlying conditions
- Be active
- Manage stress
- Eat a balanced diet
- Don't overdo alcohol/ quit smoking

Recommended health screenings for men ages 35 and older:*

- Blood pressure checks
- Cholesterol screening
- Colorectal cancer screening (*Begin at age 45 unless otherwise recommended based on family history.***)
- Prostate cancer screening (*Begin at age 50 unless otherwise recommended based on family history.***)

Note: Always consult with a healthcare professional to discuss specific screenings and results.

We've earned our fourth consecutive "A" for patient safety from the Leapfrog Group. This national distinction recognizes our dedication to delivering the highest possible standard of care.
